Work Experience

Web Development Intern - Computing for All

2023-Present

- Collaborated in teams to design, develop, and deliver projects, applying skills in **Python, JavaScript, HTML/CSS, API integration, React, Express, and Figma** to foster industry-ready problem-solving expertise.

Selected Project 1: [Final-Project-Frontend](#) on GitHub

Winter 2025

- Developed full-stack community forum with auth, filtering, and real-time post interactions using React and SQL.
- Led front-end build and integrated backend features including likes, comments, and dynamic feeds.

Selected Project 2: [L4-Final-Project](#) on GitHub

Summer 2024

- Designed 3 of 5 front-end pages: Home, Genres, and Results Display; developed **6 RESTful endpoints** to enhance application functionality and access the TMDB API; and wrote **700+ lines of code** for linked project.

Cashier/Employee Trainer - Juanita Dairy Queen

2021-2023

- Led **5** new hires, managed difficult customer interactions, and consistently communicated with coworkers in a fast-paced environment (this position was held part time for a total of 600 working hours).

Clubs/Extracurriculars

President - Earth Corps

2020-2024

- Directed club activities, delegated tasks to board members, and led weekly meetings of **13-20** people.
- Formed new partnership with City of Kirkland. Strengthened relationship with YMCA Earth Service Corps resulting in completion of a previously stalled 2 year-long stream restoration project.

Internationals Qualifier and Board Member - JHS DECA

2020-2024

- Managed social media platforms, resulting in a 10% increase in account engagement, maintained communications with 250+ club members and partnered with the club treasurer to manage fundraisers.
- Achieved **4th** place at the 2024 State DECA conference (**4000+ competitors**). Developed and presented a comprehensive start-up business plan and showcased entrepreneurial skills to a panel of experienced judges.

Awards & Acknowledgements

- 4-time State DECA Qualifier and International Qualifier (2023-2024) for Independent Business Plan (EIB)
- YMCA Earth Service Corps Leadership Award (2022-2023) for outstanding communication and leadership as Juanita High School Earth Corps Vice President
